## WELCOME TO THE ORAYSA DAILY AMUD V'CHAZARA PROGRAM

This global initiative unites all of Klal Yisroel through a structured daily learning platform designed to learn, review and retain all of Shas, *be'zeras Hashem*.

Oraysa is pleased to provide you with all the necessary resources needed to keep pace with the program wherever you are and whatever your personal circumstances might be. Daily audio and video shiurim, including an iyun-shiur for every amud, are accessible from anywhere via the website, download, email podcast or call-in hotline. Resources including the marei mekomos, review sheets, bechinos and more, are available via the website or can be sent to your email inbox each and every day.

TIPS FOR  
USING  
THIS  
CALENDAR

- The program is designed to learn one new amud each day and to review the previous day's amud as well.
- Friday and Shabbos are designated for reviewing the 2 and a half bliatt covered over the course of the week.
- For best results, be sure to check off each amud as it is learned and reviewed.
- Every fourth Sunday, there will be a bechinah on the ten bliatt learned and reviewed over the previous four weeks. A fourth, cursory review prior to the bechinah is recommended to achieve maximum performance as well as retention of the bliatt covered.
- Users can create their own customized chazara program and personal "virtual" calendar and more by creating a login account on the Oraysa website.
